Voices of the Martyrs'

New Believer Rejected by Family

After leaving Islam recently and placing his faith in Christ, Khalid has faced several tests of his new faith. His wife left him, taking their two young children with her, and said she would return only if Khalid returned to Islam. And his three closest friends told him that news of his conversion had spread and he could be killed for rejecting Muhammad. Khalid faced the choice of remaining faithful to Christ and facing persecution or returning to a perceived safety in the form of a false religion. After much prayer, Khalid chose Jesus. He knows, however, that his life won't be easy. His wife has returned to him, but she still urges him to follow Islam. Pray that Khalid will remain firm in his new faith and continue to grow through reading the Scriptures, praying and fellowshipping with other believers. Pray that his wife and two children will also come to know Jesus. Pray for the protection of Khalid and his family, and that his life will prompt others to seek Christ.
